

### Monitoring Plans Sub-Tab

The *Monitoring Plans Sub-Tab*, as seen in **FIGURE ERROR! No text of specified style in document.-1**, allows the end-user to view or upload the facility's current *Monitoring Plan* into *SpectraView® Prism*. A facility's *Monitoring Plan* is initially loaded by *Spectrum Systems, Inc.* If revisions are made to the existing *Monitoring Plan*, requiring the plan be updated in *SpectraView® Prism*, click on *Add New Monitoring Plan* at the top left of the sub-tab.
