

Data List Expansion Button

The data lists are collapsed by default to allow the end-user easy access to the different data sets that populate the client window. The data list expansion button, as seen in **FIGURE ERROR! No text of specified style in document.**-1 highlighted in yellow, allow for the expansion of these data sets.

Figure **Error! No text of specified style in document.**-1 Data List Collapsed

Clicking on the expansion button will expand the data list as seen in **FIGURE ERROR! No text of specified style in document.**-2.

Figure **Error! No text of specified style in document.**-2 Data List Expanded

Clicking on the expansion button again will collapse the data list.
