

## Special Controls

Actions of the majority of the controls in the application are self-evident. However some are worth further explanation. There are multiple controls in this category.

- *Expansion Arrow Button* – marked with an up and down solid arrow
- *Ellipsis Button* – marked with an ellipsis
- *Instance Trend* – marked with a graph line
- *Analog Calculations* – marked with a small pulldown arrow beside data points

*Digital & Digital Toggle Indicators* – marked with a small bubble
