

INSTALL PROCESS

To install the *SpectraView® Prism* Client, perform the following steps.

1. Double click on the MSI file and the End-User License Agreement, as shown in Figure 2-1, will appear.
2. Click **I accept the terms in the License Agreement**.
3. Click **Install**.

NOTE: SPECTRAVIEW® PRISM CLIENT REQUIRES A 64-BIT OPERATING SYSTEM AND MAY ONLY BE USED WITH A LICENSED VERSION OF SPECTRAVIEW® PRISM.
